DISCLAIMER

The information contained in this confidential document (“**Presentation**”) has been prepared by Specialist Energy Group plc (the “**Company**”). It has not been fully verified and is subject to material updating, revision and further amendment. This Presentation has not been approved by an authorised person in accordance with Section 21 of the Financial Services and Markets Act 2000 and therefore it is being delivered for information purposes only to a very limited number of persons and companies who are persons who have professional experience in matters relating to investments and who fall within the category of person set out in Article 19 of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the “**Order**”) or are high net worth companies within the meaning set out in Article 49 of the Order or are otherwise permitted to receive it. Any other person who receives this Presentation should not rely or act upon it. By accepting this Presentation and not immediately returning it, the recipient represents and warrants that they are a person who falls within the above description of persons entitled to receive the Presentation. This Presentation is not to be disclosed to any other person or used for any other purpose.

While the information contained herein has been prepared in good faith, neither the Company nor any of its shareholders, directors, officers, agents, employees or advisers give, have given or have authority to give, any representations or warranties (express or implied) as to, or in relation to, the accuracy, reliability or completeness of the information in this Presentation, or any revision thereof, or of any other written or oral information made or to be made available to any interested party or its advisers (all such information being referred to as “**Information**”) and liability therefore is expressly disclaimed. Accordingly, neither the Company nor any of its shareholders, directors, officers, agents, employees or advisers take any responsibility for, or will accept any liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in respect of, the accuracy or completeness of the Information or for any of the opinions contained herein or for any errors, omissions or misstatements or for any loss, howsoever arising, from the use of this Presentation.

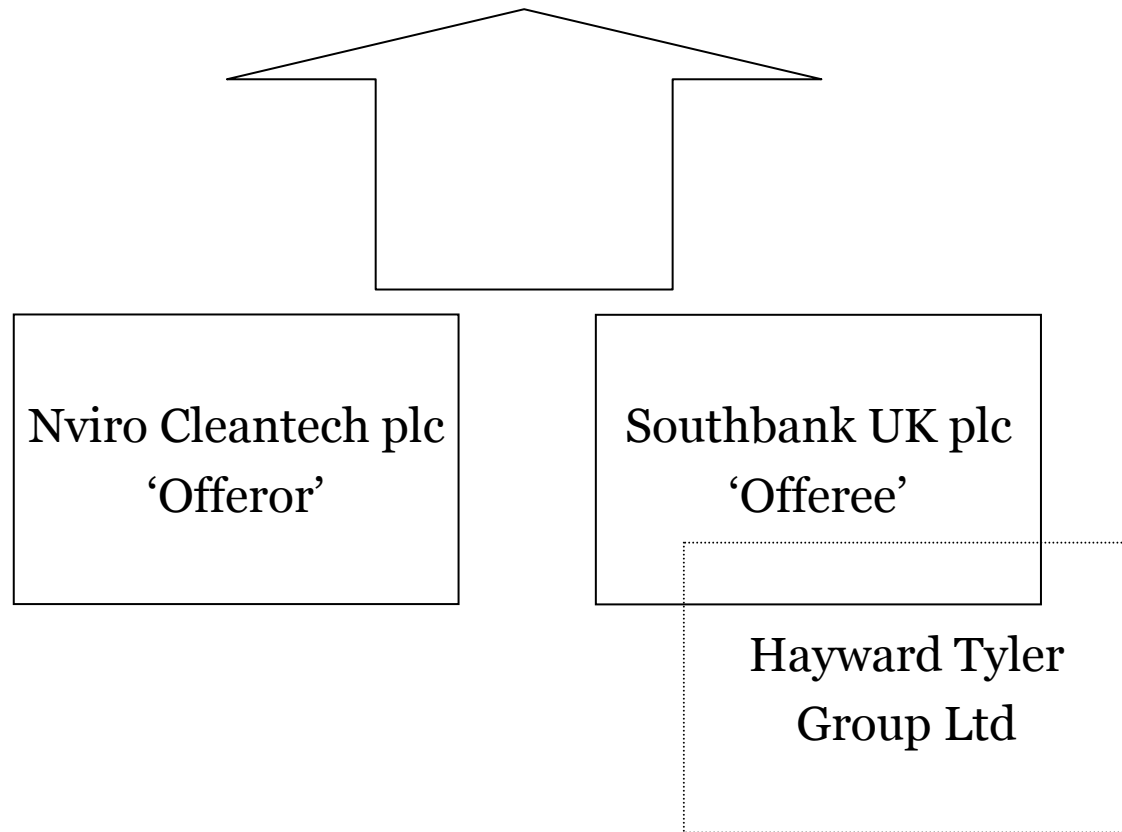

Neither the issue of this Presentation nor any part of its contents is to be taken as any form of commitment on the part of the Company to proceed with any transaction and the right is reserved to terminate any discussions or negotiations with any prospective investors. In no circumstances will the Company be responsible for any costs, losses or expenses incurred in connection with any appraisal or investigation of the Company. In furnishing this Presentation, the Company does not undertake or agree to any obligation to provide the recipient with access to any additional information or to update this Presentation or to correct any inaccuracies in, or omissions from, this Presentation which may become apparent.

This Presentation should not be considered as the giving of investment advice by the Company or any of its shareholders, directors, officers, agents, employees or advisers. In particular, this Presentation does not constitute an offer or invitation to subscribe for or purchase any securities and neither this Presentation nor anything contained herein shall form the basis of any contract or commitment whatsoever. Each party to whom this Presentation is made available must make its own independent assessment of the Company after making such investigations and taking such advice as may be deemed necessary. In particular, any estimates or projections or opinions contained herein necessarily involve significant elements of subjective judgment, analysis and assumptions and each recipient should satisfy itself in relation to such matters.

Neither this Presentation nor any copy of it may be (a) taken or transmitted into Australia, Canada, Japan, the Republic of Ireland, the Republic of South Africa or the United States of America (each a “**Restricted Territory**”), their territories or possessions; (b) distributed to any U.S. person (as defined in Regulation S under the United States Securities Act of 1933 (as amended)) or (c) distributed to any individual outside a Restricted Territory who is a resident thereof in any such case for the purpose of offer for sale or solicitation or invitation to buy or subscribe any securities or in the context where its distribution may be construed as such offer, solicitation or invitation, in any such case except in compliance with any applicable exemption. The distribution of this document in or to persons subject to other jurisdictions may be restricted by law and persons into whose possession this document comes should inform themselves about, and observe, any such restrictions. Any failure to comply with these restrictions may constitute a violation of the laws of the relevant jurisdiction

Specialist Energy Group plc

Boiler Circulating Pump – overview

Glandless Boiler Circulating Pump (“BCP”)

“MISSION CRITICAL”
Reliability – key

BCPs - application

- Fuel delivery (1, 2, 3)
- Water delivery and cooling water circulation (5, 10) – HT Focus
 - Boiler Feed (mechanical connection straight from turbine or electrically driven, bringing water up to pressure)
 - Boiler circulation (maintains flow within waterwalls and pipes throughout firebox)
 - Cooling water circulation, supplies raw water not only to main condenser but all other parts which need to be cooled
- Turbine/Generator (6, 7)
- Desulphurisation/Environmental (11, 12, 13)
- Distribution (8, 14)
- Other: (9)
 - Air Delivery
 - Lubrication

HT focus

Markets & Products – OEM & Services

Power generation (including Nuclear)

Oil & Gas – topside & subsea

The Potential

—SEG plc is a specialist engineering/energy focused group with substantial revenues in:

*Thermal power & Nuclear power
Oil & Gas (Topside & Subsea)
'Renewables'*

—Positive market outlook driven by:

China & India

—Firm order book – visibility through to Q2 2011

—Strong EPS growth potential:

*Visibility through the order book
Future service revenues*

—Strong institutional shareholder base

—Improved access to capital & liquidity on AIM

—Longer term growth story through 'buy & build'
