Siburan Resources starts drilling at Western Australia gold project

Siburan Resources (ASX:SBU) has started the maiden drilling program at its Canegrass gold project near Kalgoorlie, Western Australia.

The program is expected to take between two or three weeks with assay results to be released after completion of drilling.

Canegrass consists of two tenements located approximately 80 kilometres north northwest of Kalgoorlie covering a total of 147.6 square kilometres.

The project area is believed to be prospective for gold in granite style of mineralisation observed within the goldfields region.
