## PhotonStar developing an advanced IoT platform, says chief

LED light designer and manufacturer PhotonStar LED Group PLC (LON:PSL) is moving into the Internet of Things (IoT) space as well as continuing with its next generation lighting.

James McKenzie, chief executive, tells Proactive Investors the company has developed "a really advanced next generation IoT platform", to control not only lighting, but heating and other appliances in the home.

He says the next few quarters are "about getting the trials completed installed" and "really demonstrating benefits to customers", followed by a large roll-out.
