## Sweetbridge 'creating the ability for everybody to get money from anything'

Scott Nelson, chief executive of Sweetbridge, tells Proactive they're an economic platform which is designed to free up the value that is locked in assets.

He adds they're creating the ability for everybody to get money from anything.

"There are US\$700tn worth of valued assets in the world and we are creating a mechanism that allows you to take money out of that asset without selling it and to do it without an intermediary".
