Legendary Investments 'unlocking private opportunities' for retail investors

Zafar Karim, executive Chairman of Legendary Investments plc (LON:LEG), tells Proactive Investors they unlock private opportunities which aren't available to public investors.

"We invest in private companies that are not listed - usually small companies - we nurture them, provide lots of contacts, advice and help them grow".

Karim says having established a solid track record of successful proactive investing, they're now looking to take Legendary to the next level of its development.
