Victoria Oil & Gas advancing its non-grid solutions as gas sales rise

Kevin Foo, chairman of Victoria Oil & Gas plc (LON:VOG), tells Proactive London's Andrew Scott they've started to grow sales again even though supplies to Cameroon power group ENEO have yet to resume.

The contract was suspended last December and Foo said it was a shock when it was not renewed.

Gross sales in the three months to September rose 11% at 356million cubic metres of gas or an average 3.72mln per day.
