Esports Entertainment sees its second speedrunning deal cross the finish line

Esports Entertainment Group Inc's (OTCQB:GMBL) chairman and chief executive Grant Johnson caught up with Proactive London's Andrew Scott after the signing of their second significant speedrunning agreement.

Most recently they've signed an affiliate marketing agreement with the Global Speedrun Association (GSA), which hosts races on a variety of speedrun games, including Super Mario 64 and Super Mario Odyssey across three Twitch channels.

It follows on from a marketing agreement reached last week with SpeedGaming, the largest competitive speedrunning network.

Speedrunning is the art of attempting to play a video game from start to finish as quickly as possible.
