## Red Rock strengthened by £324k raise as it pushes ahead with Congo exploration

Red Rock Resources PLC's (LON:RRR) chairman Andrew Bell talks through the rationale behind the recent placing which brought in £323,750.

Bell says work on the ground in Congo is moving at pace and stresses it's important to keep that momentum going.

"If we don't, our partners will lose faith in us and our asset is getting an increasing amount of attention ... so we are anxious of course to see an increase in value and news coming out".
