KR1 PLC predicts we've seen the Bitcoin bottom with significant growth ahead

KR1 PLC (LON:KR1) CEO George McDonough mulls the future of Bitcoin as its price continues to strengthen.

He says a lot of the money which was sitting on the sidelines during the recent downturn has come back in given the opportunity it's now presenting.

"The signal's gone out that we've hit the bottom and now all the money which was sitting on the sidelines is coming back in".

"Generally speaking, underneath all the events, we're seeing actual adoption ... there are more and more people getting involved and that's another thing to consider - during the downturn the technology and innovation didn't stop"
