Black Rock Mining adds fourth module to enhance graphite project DFS and improve metrics

Black Rock Mining Limited (ASX:BKT) chief executive officer John de Vries updates Proactive Investors on its enhanced Mahenge Graphite Project definitive feasibility study (DFS) which includes a fourth module to improve project metrics.

The CEO says the eDFS brings together a number of competitive advantages for the Tanzanian project, with a customer and financial markets driven outcome.

Exact timing of first production will depend on progress in securing finance.
