Polar Capital's Jamie Douglas discusses outlook for healthcare in run-up to US elections

Polar Capital Global Healthcare Trust's (LON:PCGH) Jamie Douglas gives his views on the healthcare sector in the lead-up to next year's US presidential elections.

"We believe the noise and the political rhetoric around healthcare is only going to increase".

"The reason we think that is because it's very high on the agenda of not just the politicians but also US citizens".

"Looking through an investor's lens there are some interesting parallels with what's going on now that went on in the early 90s and also 08/09".
