## S & U PLC focused on accelerating profit growth next year

S & U PLC's (LON:SUS) Anthony Coombs tells Proactive London's Andrew Scott that recent trading's 'generally been very good'.

"It's not trading at record levels but given the uncertainty that we're seeing in the economy generally and the general growth rate and levels of consumer confidence throughout the country and the fact the new car market has been slower than it has been for some time it would be very surprising if we were going gangbusters".

"Nevertheless we're trading very satisfactorily and meeting our expectations".
