Equals Group CEO talks continued strong trading and 'robust coronavirus contingency plans'

Equals Group PLC's (LON:EQLS) Ian Strafford-Taylor tells Proactive London's Andrew Scott they're well positioned to deal with the recent uncertainty brought about by the coronavirus.

"We've been ahead of the recent government advice considerably ... the good news for us as a business is that over the last couple of years we have invested quite significantly in the infrastructure in which everything runs".

"That means everybody can work from home ... and data is highly secure ... it's all encrypted".

"The key for us to make sure we're around at the end of it hence all the plans we have in place to flex our direct cost base as required and rapidly, based upon what it is we're seeing".
