## Shield Therapeutics: 'US talks ongoing with progress being made'

Proactive Research analyst Emma Ulker says US partnering discussions at Shield Therapeutics (LON:STX) are progressing and it's a key factor given that the US represents around 70% of the US\$3bn global iron replacement market.

Ulker adds that the balance sheet was recently bolstered by an US\$11.4mln milestone payment from China partner ASK Pharm, providing liquidity in the months ahead to negotiate potential uncertainty owing to the coronavirus crisis.
