Zephyr Energy keep 'eyes on the prize' after beating their own well completion expectations

Zephyr Energy PLC's (LON:ZPHR) Colin Harrington talks to Proactive London after completing the State 16-2 well ahead of schedule.

Harrington talks through the results, with indications from drilling data suggesting the presence of hydrocarbons across multiple reservoir intervals.

Zephyr's secondary objective was to acquire new data to improve the understanding of its Paradox acreage position. He says the data acquired is a huge step forward in the pursuit of value.
